Format

All flights play five 9-hole matches in a round robin tournament. Indexes lock on August 10th and we will follow the USGA recommendation to reduce course handicaps by 15% (utilizing 85% of a player's course handicap).

Flights

Flights will be sorted by tee selection and handicap index. While a team is free to compete from any tee for the event, they will only compete against golfers playing the same tee.

Prizes

Flight winners: \$150 per person
Flight runner-up: \$100 per person
Saturday Money: \$50 per person

The team with the highest standing solely on Saturday will receive the Saturday money purse.

Scoring

In 2022, there will be an emphasis on winning each 9-hole match.

Flight standings will be determined first by a team's match record, next by head-to-head record, and then by the total number of holes won.

Even after a match result has been determined, players should continue to play for skins and tiebreaker points
